About Me

I have experience with React, NextJS, Typescript/Javascript, Node, Express, NestJS, PHP, JEST, VITEST, C# with ASP.NET, MongoDB, MySQL, object-oriented programming, TDD, Clean Architecture, Hexagonal Architecture.

I started my studies in 2022, and in 2023, I gained my first professional experiences as a Freelance Developer, which allowed me to enroll in a degree in Systems Analysis and Development in 2024. I am open to new opportunities.

I am a native Portuguese speaker with advanced English skills for reading, listening, and writing.
